

Labor Law Center is Now Part of OutSolve

Magic happens when affirmative action compliance meets labor law posters.

In case you haven't heard Labor Law Center (LLC) is now part of OutSolve. A powerhouse combination, companies can now harness the strength of LLC and OutSolve to manage OFCCP compliance **and** labor law poster requirements...**all in one place.**

More Compliance Power

OutSolve + LLC = Invaluable Reliability

This dynamic duo gives you a more powerful compliance engine. No matter the employer size or complexity, we take the compliance burden away with expert monitoring and auto-delivery of mandated reports and posters.

Comprehensive Coverage

All-Inclusive poster compliance ensures your service includes all necessary compliance posters (federal, state, local) and is tailored to specific industries where applicable.

Auto-Comply

Automatically receive updated posters any time there's a mandatory change. Our dedicated research team monitors changes so you don't have to.

Dedicated Customer Service

With our labor law poster subscription, you'll have access to a dedicated account manager who is available by email, phone, or chat to assist with any questions or requests. We guarantee a 24-hour response time to ensure prompt support.

Customer Compliance Portal

When you sign up for our labor law poster subscription, you'll gain free access to the Compliance Management Portal. This portal allows you to manage your entire subscription with ease. You can view a complete list of all active locations, add, edit, or remove addresses as needed, and review past, current, and upcoming shipments, including tracking information.

e-Compliance Digital Posters for Remote Workers

With the option of remote work and work-from-home, our e-Compliance Digital Poster Service helps ensure employees receive mandatory labor law poster notices to stay informed. We handle new mandatory poster changes on your own. We'll automatically send new poster updates when they happen.

EEO-1 Data to Poster Compliance Crosswalk

As an added convenience, if you're an OutSolve EEO-1 Report customer, we can use your EEO-1 data to determine your organization's mandatory posting requirements based on locations, federal contractor status, workforce size, and industry.
